

MEET THE SEIF

WELCOME!

Hi! My name is Mrs. West and I am so happy to be at Taylor ES for another year! I am the Special Education Instructional Facilitator (SEIF), as well as the Behavior Strategist for the school.

MORE ABOUT ME

I am married and we are celebrating our 20th anniversary this fall. We have 2 boys, Tyler & Ryan, who are both in high school. Most weekends you can find me on the sideline of one of my boys' games. I love sports, especially the 49ers and Golden Knights! My family loves to travel; the beach and mountains are our favorite spots. This year we visited colleges for my older son and got to explore new cities.
