

# Take Your Daughter or Son to Work Day

## Take Your Child to Work Day

While the Clark County School District (CCSD) supports the concept of Take Our Daughters and Sons to Work<sup>®</sup> Day, it is not an event sponsored by the District. In accordance with the provisions of the Nevada Administrative Code (NAC 387.185), this day is an absence with respect to state law. In order for time out of school to be considered a school activity, the following guidelines are provided to ensure that the appropriate procedures are followed and the proper documentation is completed.

### ***Take Our Daughters and Sons to Work<sup>®</sup> Day Guidelines***

Take Our Daughters and Sons to Work<sup>®</sup> Day offers many positive modeling opportunities for parents/guardians to present career education opportunities to their children. As such, CCSD will work cooperatively with parents/guardians of children who are eight years of age and older so this experience can be positive and promote career exploration. **Thursday April 25th**

### **General guidelines for parents/guardians who bring their child on Take our Daughters and Sons to Work<sup>®</sup> Day:**

In order for time out of school to be considered a school activity, the activity must meet the following criteria:

- Parents/Guardians should prearrange the absence using the *Prearranged Absence* form available at the school. While the absence must be recorded as such (PRE) in Infinite Campus **only for this day**, it is the principal's discretion to exclude this absence for purposes of generating the Perfect Attendance report (refer to [Attachment 1](#)). This will not affect perfect attendance.
  - If you already have 10 or more unexcused or circumstantial absences this will not be an excused absence and will be unverified.
- Proof of participation must be documented on the company/employer's letterhead and submitted to the school's attendance office no later than one week following the official day (refer to [Attachment 2](#)).
