- Budget Review- Change of student enrollment and funded for 852 students for budget. Each Budget page was explained and reviewed to show changes that had to occur due to numbers. Staffing was effected as 3rd grade below the average of 23 students per 3rd grade class and therefore we had to break apart a class and take out a staff member out of 3rd grade. Therefore, it changed staffing allocation from 7 to 6 third grade teachers. Currently a substitute teacher is in Kindergarten and she will be replaced by the third grade teacher. Transition for 3rd graders will happen at end of the week from Mrs. Hernandez class. All other line items reviewed. Vote - all in favor of budget.
